CE 3 ONLINE WORKSHOP DESIGN THINKING

Week 48 2020,
Nov 25th, 9.30 - 16.00

If you want to experience a wonderful day in an intercultural environment with Dutch and German students you should join the ONLINE DESIGN THINKING WORKSHOP on November 25 2020. We start at 9.30am and will continue until 4pm.

During this online workshop you will learn:

- what design thinking is
- how to proceed the steps of a design process
- to work together in an international and multi disciplinary design team

At the end of the day you have trained design thinking skills, and intercultural knowledge and skills, you will receive a certificate, and hopefully you have some new friends in your global network.

Hopefully we will meet you online in November
